

19<sup>th</sup> March 2020

Dear Parents and Carers,

We have made the very difficult decision to close NSI due to the number of staff and pupils self-isolating. This is impacting on our ability to run NSI effectively. This will now be effective as of 3.00pm on Thursday 19<sup>th</sup> March 2020 due to The Warren closing their premises.

At this point in time, we are unable to say how long the closure will last, but we envisage not less than 14 days. This takes us beyond the Easter holiday. Further recommendations will come directly from Public Health England, the Local Authority and central government in due course.

General updates will be sent out via text and our website and twitter page. There are a wealth of learning resources online for our young people to access during the closure.

<https://uk.ixl.com/ela/year-13>

The Warren will also be operating a food parcel delivery service very soon to young people in Hull. Please call them on 01482 218115 or message them on facebook with your contact number and address if you would like to be added to the delivery list.

We would like to take this opportunity to wish our families well, stay safe and look after each other in these very worrying circumstances.

Kind Regards,

A handwritten signature in black ink, appearing to be 'J Berridge', written in a cursive style.

Mr J Berridge

Head of Northcott Supported Internships
